

## Internship Admissions, Support, and Initial Placement Data

### INTERNSHIP PROGRAM TABLES

Date Program Tables are updated: 7/18/24

#### Program Disclosures

As articulated in Standard I.B.2, programs may have “admission and employment policies that directly relate to affiliation or purpose” that may be faith-based or secular in nature. However, such policies and practices must be disclosed to the public. Therefore, programs are asked to respond to the following question.

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution’s affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values.	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
If yes, provide website link (or content from brochure) where this specific information is presented:  Background checks (e.g. state, FBI, and Child Abuse) and drug screening are required.	

#### Internship Program Admissions

<p>Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program’s policies on intern selection and practicum and academic preparation requirements:</p> <p>Each intern will participate in one of two tracks and 2 rotations: Child/Adolescent Track or Substance Use Track and the following 6-month rotations, Crisis Services and Mental Health Court.</p> <p>Child/Adolescent: Residents will be Mobile Therapists in our Intensive Behavioral Health Services program located in the Chester County or Delaware County areas. Intern functions may include, but are not limited to: assessments, individual therapy, family therapy or behavioral consultation. Interns may also have the opportunity to engage in family therapy and/or group therapy (4 months in duration).</p> <p>Substance Use: Residents will spend their time in the Substance Use program in our Kennett Square office. The focus of this track is to give interns the exposure to the provision of formal substance use treatment. Clients being seen out of this office may be attending outpatient therapy on an elective basis or may be court mandated. Interns will provide individual and group therapy as clinically indicated. Substance Use assessments are another clinical service that may be offered by interns.</p> <p>Crisis Services: Residents on this rotation will engage in telephonic crisis counseling to those in acute crisis and conduct crisis evaluations for walk-in clients to clients including crisis de-escalation, solution-focused interventions, and supportive counseling. Residents will also conduct biopsychosocial assessments, individual therapy, and group therapy in a subacute crisis residential program. Additional focus includes providing consultation and education to concerned family members, school personnel, and other identified agents calling on a client’s behalf.</p>
--

Mental Health Court: Residents will conduct forensic assessments for individuals with legal infractions to determine clinical eligibility for the county's mental health court program and provide treatment recommendations that will be used in court proceedings.

In addition to rotational experiences, residents will maintain a caseload of approximately 8-9 outpatient clients throughout the year. The intern will function as a member of the interdisciplinary team, serving in multiple capacities depending on cases.

Residents will also complete a community service project and present two didactic seminars. Interns will conduct psychological testing as needed.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:

Total Direct Contact Intervention Hours: Yes Amount: 500

Total Direct Contact Assessment Hours: Yes Amount: 25

Describe any other required minimum criteria used to screen applicants:

Applicants must be in good standing from an APA-accredited doctoral program in clinical or counseling psychology. Applicants must have a master's degree in a clinical discipline that includes a clinical practicum. Additional requirements: passing of comprehensive exams and approval of dissertation proposal.
